RLE:

Traces from ZIPPER files ~~and~~ on ALBERT (which I cannot see
is a bit helpful) and KAESTNER (which indicate he of interest
to RIS in 1948 as they dispatched CAESARIAN to find out
address and occupation; blown to RIS thru source of his,
one Arthur PETERS probably in 1949 tho PETERS claims RIS
trying recruit him only in 1951; also blown to SfS by alias
and description last year in UJ DROLLERY 118.) are attached.

Nothing to indicate AIS connection to either ALBERT, KAESTNER,
or any of other arrestees.

Traces on others arrested either completely negative, or
of level of compilation of fnu WALTERs on whom only fragmentary
info. Considering how many fnu WALTERs, told Elsie not to
bother. fnu ALBERTs were more carefully checked, however.

Trace on Dr. Werner KORN also attd.
